We learn that a large quantity of the top of shaft No. 4 of one of the Colorado Fuel and Iron Company's mines fell in a day or two since and that it took two days to remove the debris. The mine boss is rustling lumber to repair the damage and prevent a recurrence.

The Best Liniment.

"Chamberlain's Pain Balm is considered the best liniment on the market," writes Post & Bliss of Georgia, Vt. No other liniment will heal a cut or bruise so promptly. No other affords such a quick relief from rheumatic pains. No other is so valuable for deep seated pains like lame back and pains in the chest. Give this liniment a trial and you will never wish to be without it.

Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass of Fremont, N. C. writes. Only 50 cents.

PAGE & BRACKEN.

To the Editor.

MR. EDITOR:

People here cannot see why it was that O. J. Bracken suggested driving mail for Mr. Lamb last Wednesday night, but the suggestion readily explained itself when the South bound mail was 2 hours late and the only passenger was Miss Mamie Worthen from St. George. It is understood that Miss Worthen is going to clerk in the Bracken store to see if she cares to except the half interest that has so generously been offered her by "Orie." As Miss Worthen is one of our former students we welcome her to Cedar again.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it, but the fact must be apparent to everyone that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them.
